Naval Medical Center Camp Lejeune

Warning Notice and Consent to Monitor

By accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only, you are consenting to the following conditions: The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations. At any time, the USG may inspect and seize data stored on this IS. Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose. This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy.

Please enter a phone number to receive SMS messages

Enter a phone number below, you consent to receive SMS messages. Standard text and messaging rates apply.

Back

Next

**Enter a phone number to receive text messages during the processing of the prescriptions.**  
Although you are using a web page application to correspond with the pharmacy, you will also receive text messages from the system in case you close the web browser during the process.

6

Naval Medical Center Camp Lejeune

Please enter the name of the prescriptions to activate

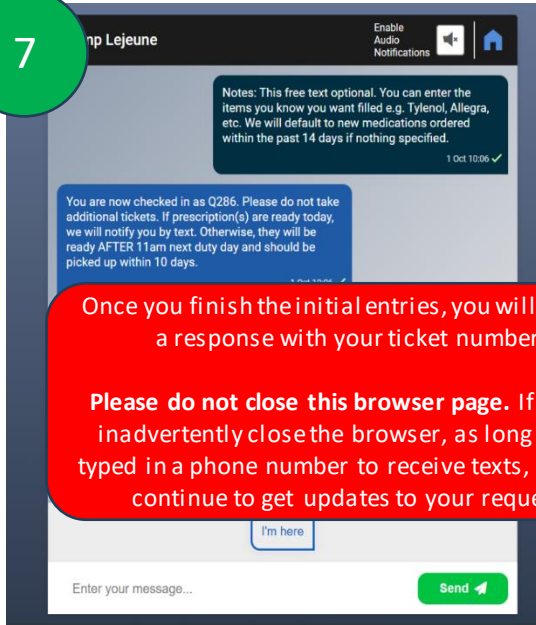

Text optional. You can enter the items you know you want filled e.g. Tylenol, Allegra, etc. Default to new medications ordered within the past 14 days if nothing specified.

Back

Next

We typically check for any new prescriptions within the past 14 days. If you have the names of the medications that were prescribed, you can freetext us that information to narrow our search.

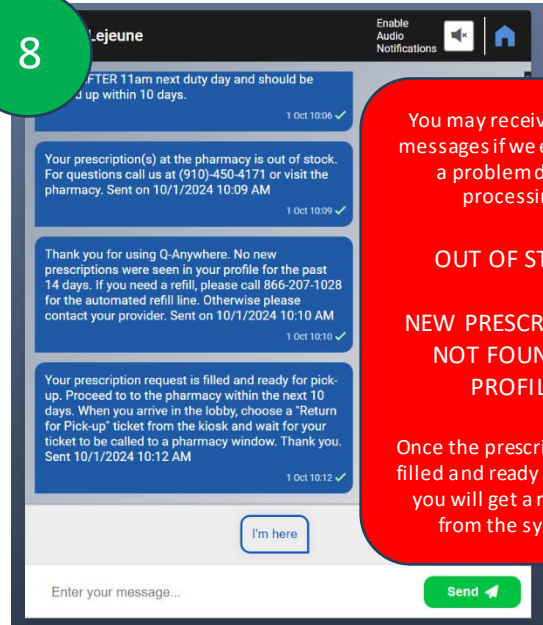

7

Once you finish the initial entries, you will receive a response with your ticket number.

**Please do not close this browser page.** If you do inadvertently close the browser, as long as you typed in a phone number to receive texts, you will continue to get updates to your request.

8

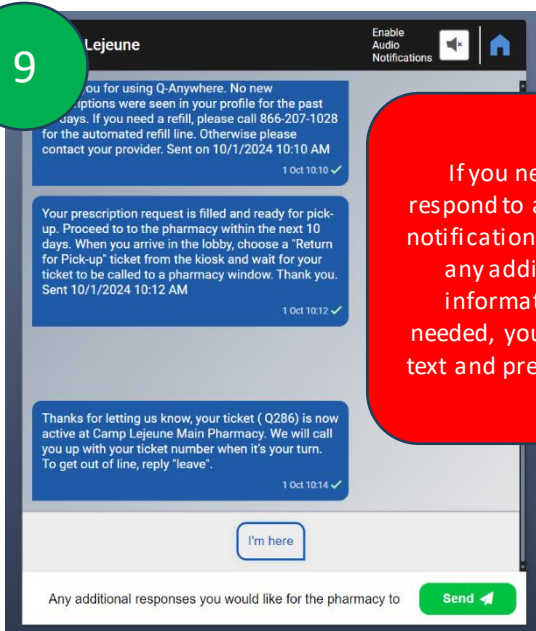

You may receive special messages if we encounter a problem during processing.

OUT OF STOCK

NEW PRESCRIPTIONS NOT FOUND IN PROFILE

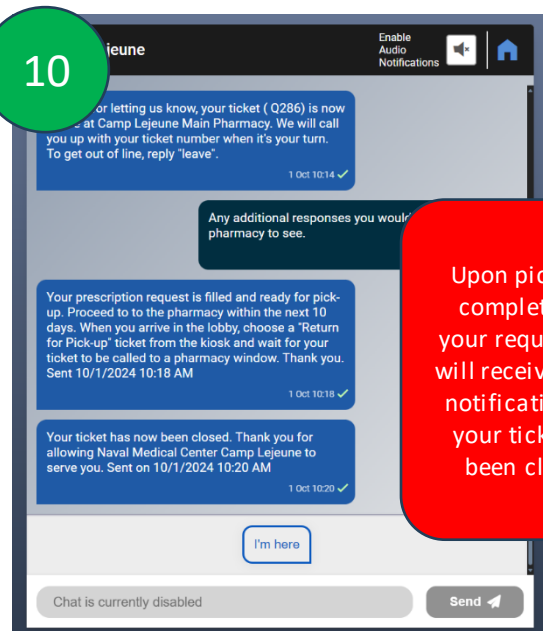

Once the prescriptions are filled and ready for pickup, you will get a response from the system.

9

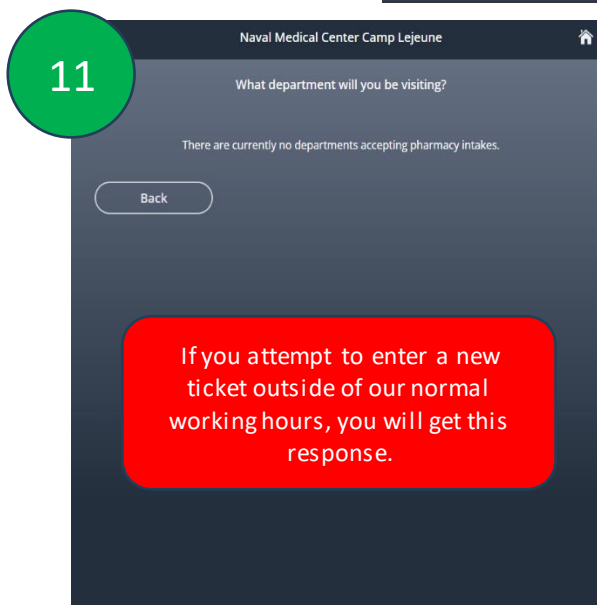

If you need to respond to a specific notification alert or if any additional information is needed, you can free text and press [Send].

10

Upon pickup or completion of your request, you will receive a final notification that your ticket has been closed.

11

If you attempt to enter a new ticket outside of our normal working hours, you will get this response.
